The Unlacquered Brass Range

The Unlacquered Brass range is designed a classical design as it mellows with age if left unpolished to match older brass fittings in the home. The depth of the tarnished affect depends on the usage of the product in the home.

Available In:

Dolly Switch
Rotary Dimmer
Sockets
Combination Range
Home Automation & Dimming Control

Button Dimmer
Rocker Switch
European Socket
USB Charger Socket

General Information

All switches conform to BSEN 0669/1. 13amp sockets conform to BS1363, 2amp and 5amp sockets conform to BS546.

Single plates measure 86mm x 86mm and double plates measure 146mm x 86mm.

A full range of socket outlets are available, including power outlets, telecom and data, audio and visual, fused connection and floor sockets.

All Forbes and Lomax switches and sockets require British standard 35mm deep flush wall boxes.
