Combination Range

The Combination Range allows you to create a multi-gang plate to your own specification, allowing complete flexibility when designing and planning a room layout. Our new angled modules make the selection of AV modules more attractive and functional, allowing wire to hang down wires and protrude less from the wall.

Available in:

The Invisible Lightswitch Range

The Antique Bronze Range

The Stainless Steel Range

The Aged Brass Range

The Unlacquered Brass Range

The Nickel Silver Range

The Verdigris Range
