The Verdigris Range

Every plate in this range is hand finished and unique and will have a different look due to the oxidisation process used when created. As these plates have undergone two processes of both bronzing and patination, the plate is well protected and requires very little maintenance.

Available in the following:

Dolly Switch
Rotary Dimmer
Button Dimmer
Rocker Switch

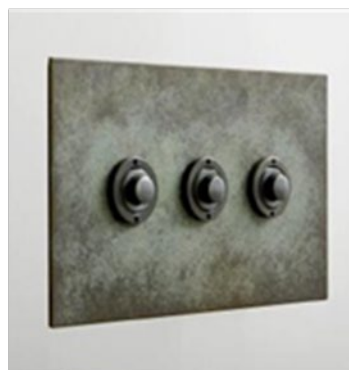

A full range of socket outlets are available, including power outlets, European sockets, telecom and data, audio and visual, fused connection and floor sockets.

General Information

- All switches conform to BSEN 60669-1:2018. 13amp sockets conform to BS1363-2:2016 +A1: 2018, 2amp and 5amp sockets conform to BS546:1950
- Single plates measure 86mm x 86mm and double plates measure 146mm x 86mm
- All Forbes & Lomax switches and sockets require British standard 35mm deep flush wall boxes, but we recommend 47mm for ease of installation

Dolly Switch

Momentary Switch

Single 5amp Socket
