The Combination Range – AV/Data

The Combination Range allows you to create a multi-gang plate to your own specification, allowing complete flexibility when designing and planning a room layout. Our angled range make the selection of AV modules more attractive and functional, allowing cables to protrude less from the wall.

Available in the following ranges:

Painted
 Invisible
 Aged Brass*
 Antique Bronze*
 Unlacquered Brass

Brushed Brass
 Nickel Silver
 Stainless Steel
 Verdigris*

Modules available:

Telephone Master
 Telephone Slave
 Cat 6
 RJ12
 TV
 RCA

Satellite
 HDMI
 Speaker
 Phono

*Available with black inserts only

Technical Information

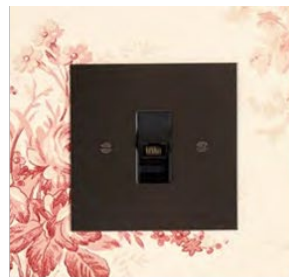

- For module information see separate tear sheets
- Single plates measure 86mm x 86mm and double plates measure 146mm x 86mm
- All Forbes & Lomax switches and sockets require British standard 35mm deep flush wall boxes but recommend 47mm for ease of installation
